

E-rate Detail for Year 2010 (Year 11) RFP as posted in the Bakersfield Californian and online at <http://www.arvinschools.com/districtpages.aspx> :

1) Network Maintenance- Network maintenance for all eligible network equipment for 20 hours per month. Response time for maintenance must be within 1 hour. Contract may include non-E-rate maintenance paid for by district separately from E-rate funding. Multi-year contracts are sought.

2) Cellular service for forty-five (45) accounts/numbers with minutes in a pooled minute plan. Phones have been purchased or will be purchased separately. Vendors are required to provide a demonstration model phone with service for a period of three-five days for personnel to check cellular coverage.
