

CALIFORNIA TECHNOLOGY ASSISTANCE PROJECT
REGION VIII

June 13, 2003

Mr. Loyal Anderson, Technology Coordinator
Arvin Union S.D.
737 Bear Mountain Blvd.
Arvin, CA 93203

Dear Loyal:

The Kern County Superintendent of Schools is certified by the California Department of Education to approve technology plans for participation in the Schools and Libraries Universal Service Program.

Successful technology plans align the overall education or library service improvement objectives. There must be strong connections between the proposed physical infrastructure of the information technology and the plan for professional development, curriculum reform, and library service improvements.

Arvin Union S.D.'s technology plan has been approved through June 30, 2007.

Please keep this letter on file in case of an audit. If you have any questions, call Matt Gehrett at 636-4541 or e-mail magehrett@kern.org.

Thank you,

Larry E. Reider
Kern County Superintendent of Schools
