### School Description

Known as the "Garden in the Sun," Arvin is located just 18 miles from Bakersfield in the San Joaquin Valley. Nationally known as a rich agricultural area, Arvin offers a warm climate and a friendly, small town atmosphere. Established in 1940, Haven Drive Middle School is one of four schools in the Arvin Union School District.

The following learning opportunities for all students include, but are not limited to:

- GATE enrichment cluster classes and activities
- Spanish Literature elective classes
- AVID elective classes
- Marching Band
- Art
- Seasonal Sports
- Winter Percussion
- Arvin Advantage After-school Program
- Weekend and Extended Day Programs (Migrant/formerly SES )
- Summer School
- After School Intervention classes
- Parent education classes
- English Language Development Curriculum (for English Learners)
- Integrated Science elective classes
- Drama Club
- Yearbook Club
- Project Lead the Way - (Design and Modeling - Engineering/Forensic Science)
- Extra Curricular Activities (Science Fair, History Day, Oral Language, Math Field Day, Battle of the Books)

In addition to high academic standards, the use of educational technology to support curriculum is prevalent across the school. Each teacher has a laptop computer, an LCD projector, available document camera, printer and white board in the classroom. The combination of teaching the academic curriculum while embedding technological enhancements to the lessons provides more effective teaching and learning. There are three stationary computer labs available for student use on campus, as well as nine mobile labs for use in the classroom with plans to establish more mobile labs in the upcoming school years.

Teachers meet every week during "Collaboration" meetings during which teachers focus on the continued academic growth of all students utilizing in-depth data analysis, creation of Common Formative Assessments and discussion of strategies to increase percentages of students attaining higher proficiency levels.

The Arvin Union School District's mission, "Every child learning, every day, no matter what it takes," propels Haven Drive to "do whatever it takes" to ensure each students' needs are met to the best of our ability. Utilizing a variety of resources, Haven Drive's priority is to prepare the students for success here, through high school, college, and beyond.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

Arvin Union School District held a Public Hearing on September 11, 2018, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English Language Learners (ELL), are provided one set of standards-aligned textbooks to use at school and home as well as access to standards aligned material in core subjects. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available.

Arvin Union School District staff members are actively involved in the selection process of materials and textbooks. The selection process involves teachers, administrators, district support personnel, and parents. The district follows the State of California's Textbook Adoption Cycle. 100% of students have textbooks as verified by the August 2018 Williams Review.

### School Facility Conditions and Planned Improvements (Most Recent Year)

Built in 1940, Haven Drive Middle School offers a safe and secure campus for students, staff, and visitors. Currently Haven Drive Middle School consists of 42 classrooms, a library, three computer labs, a multipurpose room/cafeteria, a staff room, a student lounge, 2 locker rooms and a gym. Site administration works closely with the Lead Maintenance person and assigned custodial staff to ensure the campus is in optimal shape.

The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available upon request from the district MOT office. District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner.

The entire campus exterior was painted during the Summer of 2014, the main office was rebuilt and open for business in April 2017. A Solar Project on the Haven Drive campus was completed in March 2017 as well.

**B. Pupil Outcomes**

**State Priority: Pupil Achievement**

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2017-18 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
ELA	34.0	36.0	29.0	32.0	48.0	50.0
Math	18.0	17.0	21.0	23.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

**State Priority: Other Pupil Outcomes**

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

Grade Level	2017-18 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
7	22.2	26.7	33.9

\* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

### C. Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### Opportunities for Parental Involvement (School Year 2018-19)

The staff at Haven Drive is aware of the positive correlation between parent and community involvement and success of students. Parents and community members are encouraged to join teachers and administrators in the activities, programs, and organizations that support our students. Formal committees include School Site Council and English Language Advisory Council (ELAC). Parents are also invited to contact their child's teachers or the office in order to volunteer in classrooms, participate in Parent Workshops and attend parent/teacher conferences, student performances or events including Coffee with the Principal.

Parents or community members who wish to participate on leadership teams, school committees, take part in school activities, or become a volunteer are encouraged to make contact through the Haven Drive Middle School office. Our contact phone number is 661-854-6540 and please ask to speak with Calletano Gutierrez, Principal.

#### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### School Safety Plan

Haven Drive Middle School's Comprehensive School Site Safety Plan was last revised by school administrators, staff representatives, and school board approved February 20, 2018, to ensure the protection of students and staff, school and school property, and to establish a climate that is conducive to learning. All staff members and parents have access to the plan and annually review the school site safety policies. Key elements of the safety plan include: developing consistency in behavior expectations, site safety and maintenance, and disaster response training.

The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Fire drills are held once a month while earthquake and lock down drills are held quarterly. In the event of an emergency, the school's Disaster Preparedness Plan has clearly defined procedures to accommodate crisis situations.

Students are supervised throughout the day by certificated and classified employees. There is a designated area for student drop-off and pick-up in front of the school. Visitors register at the office, have their ID's checked through our district "RAPTOR" monitoring system, and receive a Haven Drive visitor badge that must be displayed at all times.

### D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Academic Counselors and Other Support Staff at this School	
Number of Full-Time Equivalent (FTE)	
Academic Counselor	0
Counselor (Social/Behavioral or Career Development)	0
Library Media Teacher (Librarian)	1
Library Media Services Staff (Paraprofessional)	1
Psychologist	.5
Social Worker	0
Nurse	.5
Speech/Language/Hearing Specialist	.5
Resource Specialist (non-teaching)	0
Other	1
Average Number of Students per Staff Member	
Academic Counselor	0

\* One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

**Average Class Size and Class Size Distribution (Secondary)**

Subject	Average Class Size			Number of Classrooms*								
				1-22			23-32			33+		
	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18

Social Science	24.0	28.0	27.0	11	1	3	15	19	19	1		

\* Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

**Professional Development provided for Teachers**

Staff members build teaching skills and concepts by participating in conferences and workshops throughout the year. The district offers four staff development days annually where teachers are offered a variety of professional growth opportunities in curriculum, teaching strategies, and methodologies. For 2016-2017, the district focused on the new ELA curriculum adoption and writing. 2017-2018 focused on the writing curriculum, Write From the Beginning and Beyond, i-Ready, READ 180, Signs of Suicide and Blue Water Curriculum (an alternate to suspension) 2018-2019 focused on active shooter training, trauma informed care and the History Social Studies Adoption. Site-based professional development topics have included: data analysis of i-Ready, CAASPP and CELDT, expectations for Professional Learning Communities, Positive Behavior Intervention Support (PBIS), and AVID strategies. Several teachers attended the AVID summer institute to be able to integrate writing, inquiry, collaboration, organization, and reading into teaching/lessons for all content areas.

Teachers are also expected to be knowledgeable with the educational computer programs to facilitate student learning through a different avenue. Students, parents, and teachers will be able to utilize Office 365 for many purposes.

Professional growth and participation in Professional Learning Communities is an ongoing focus at Haven Drive. Increase in capacity leads to increase in student achievement. Team members from 7th and 8th grade, as well as administration, work as a Leadership professional learning community to implement strategies and work toward attainment of the School Implementation Plan. Innovate Ed and Thoughtful Classroom focus areas guide site administration and leadership discussions and are focused on promoting and building strong instruction and leadership skills.

Professional development occurs internally, such as peer to peer, by the site coach and/or administration, or by the district support personnel; external sources such as consultants, company trainers, etc. Professional development is provided during the day (subs are provided for teachers), after school and during the summer (AVID). Staff development has been scheduled after school as well as during the school day once a month to include instructional assistants. BTSA mentors and a dedicated TOSA are provided to new teachers assigned to school sites.

### **Types of Services Funded**

The picture of funding has stabilized within the Arvin Union School District with the continued implementation of Local Control Funding Formula (LCFF) funds. Supplemental and concentration funds, above and beyond base funding, provided monies for the district and sites to focus on expanding and improving instructional programs to support academic achievement, improving student attendance, training staff to support building respectful and positive relationships, expanding intervention programs, wrap-around services, and facilities improvement for the most needy school sites. Funds specifically targeted to the school site included action steps for extended learning sessions, library books, intervention teachers, intervention computer programs, student success facilitators, nurses, social workers, district teachers on special assignment for teacher support, field trips to expand the horizons of our students, funds for student activities/incentives, GATE focus activities, and professional development. These funds are in addition to Federal funds including Title 1 funds with set-asides for Extended Learning and Parent Involvement. Extended learning funds are allocated to each site and students are selected based by application and need. Parent Involvement funds allow us to continually build our outreach and training services for parents. District and site based intervention programs and staff are also funded out of Title I. Title III provides aides specifically for our campus as well as support staff and Professional Development for teachers and instructional assistants. Special Education funds, supported with general funds, provide a strong SDC, RSP, and Speech program for students with special needs at our site including teachers and instructional assistants. After-School grant funds allow us to serve a large number of students in our daily Arvin Advantage Program.

Each of these programs provides targeted or general services to students with all intents to ensure educational equity for all student groups.

### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
